Your Canteen

- Please write clearly on your lunch order, child's name and room number (not grade), Item, price of individual item and total price and enclose correct payment.
- Correct money **MUST** be supplied where possible to avoid very time-consuming efforts to find orders and money of students. Eg: Jenny Hudson Room 12

- Please **DO NOT** seal paper bag with staples or sticky tape
- 10 cents will be charged to supply a bag
- Lunch orders **MUST** be in classroom box by 9:15 am
- Late orders - your child may be offered a substitute lunch if their order is late as some menu items are ordered fresh on a daily basis.
- Nachos and hotcakes will need to be collected from canteen so if your child has ordered either of these items, they will just need to bring their lunch order bag to canteen to collect as proof of purchase.
- If insufficient funds are supplied, some items may be replaced by items of lesser value.
- All change amounts will be written on your lunch bag.

Please let your children know that I am super friendly and sometimes make mistakes, so if their order is incorrect, just come and tell me and I'll do my best to fix it.

And lastly, canteen CAN NOT run on a Friday without volunteer help.

If you can spare from 11.30am until 1.30pm every now and then on a Friday, please let either myself, the Office or Parents & Friends know as it would be hugely appreciated. Your children will get a Lunch Order and Prima Drink, free of charge (not including snacks or icy poles) the day you help as a thank you!
