

# Kinder to School Transition Program 2021/22 Bunyip Primary School

At Bunyip Primary School we try to make your child's entry to school as easy as possible. As part of this program we have organized several events to make this transition the best that it can be. These visits are intended to familiarise the children with school buildings, playgrounds, teachers and other children. Please mark each of these dates on your calendar so that your child does not miss out on any of the valuable sessions we offer.

**Thursday 11th November 2.30pm - 3.30pm.** **Kinder children and Parents** meet at the front of the Hall. The school Captains and our Principal, Ms Jenny Dowsett will take the children and their parents on a tour of our school. Children will be given a healthy snack from the canteen at the end of the Tour.

**Wednesday 24th November 9.30am - 11.30am.** **Kinder Students** meet at the Hall. Kinder children will work with one of our Prep Teachers. They will then stay for Recess so they can become familiar with our school grounds. Parents pick their children up at the end of recess. Please pack a wide brimmed hat, Water bottle, fruit snack and some recess for your child.

**Tuesday 7th December 9.00am – 3:15pm.** **Kinder students** will attend school for the whole day. Kinder students please bring a wide brimmed hat, water bottle, morning tea and lunch with you. **Parents please drop your child off at 9am then come back at 2.30pm for our Information Session.** Our Prep Teacher/s will address the parents briefly to outline the Programs we plan to offer at Bunyip Primary School in 2022 and our Principal - Ms Jenny Dowsett will speak about Bunyip Primary School.

*Please feel free to ring 5629 5462 if you have any further enquires.*
