

Bunyip Primary School

Student Fees 2021

Parents can now start paying their 2021 School Fees by Cash, Cheque, BPay or Eftpos. We also take EFTPOS payments over the phone. Due to Covid-19 restrictions we do prefer a non-contact form of payment, if possible.

◇ **Payment of fees:**

Full payment of fees is required by the first day of school for students, Thursday 28th January, 2021.

The Office will be open for payments from 11.30am to 3pm on Wednesday the 27th January for anyone who was not able to make their payments by the end of 2020.

Preferred date for payment is 14th December 2020, as this assists the school with ordering school supplies. We have extended the date this year as we understand many families are experiencing financial pressure due to Covid-19.

◇ **Forms needed with payment:**

Please bring /send in the correct page for your child's grade level when making payment.

We hope our families understand that the school is not able to provide Student Essential Stationary Items for free. Your child will receive their Book Bags in the last week of the year or the first week of 2021 School Year, dependent on when payment is made.

◆ **Payment Plans:**

Any families who are having difficulty meeting these payment timelines are invited to meet with the Principal Jenny Dowsett to arrange a payment plan. Confidentiality and discretion is assured.

Thank you
Wendy Whyatt
Business Manager.
